

NTP Presents USTA JUNIOR TEAM TENNIS

Spring 2010 Season

Northridge's USTA Junior Team Tennis integrates match play, team, and individual competition in an organized season. Matches are scheduled at CSUN and other facilities around the San Fernando Valley on Sunday afternoons and practices are held every Saturday. Successful teams will have the opportunity to compete at Indian Wells Tennis Garden against other area winners.

The season starts on Saturday February 27 (or sooner) and will run for approximately 8 - 10 weeks. Team Tennis is a great opportunity for participants to meet and compete against different players in the spirit of competition, laying the foundation for future competitive play. As this is a team concept, parents and players must be prepared to make a commitment to the team on a regular basis.

Each team will consist of at least 6 players with a maximum of 8 players. There will be 4 singles and 2 doubles matches per match. All the teams are Co-ed.

Season Cost: \$145.00
